HARBOUR CITY
海港城

Harbour City

Harbour City, the Group's flagship property at the tip of the Tsimshatsui peninsula in Kowloon, usually generates some 60 per cent of the Group's gross rental income from its 8.29 million square feet of prime commercial space comprising offices, service apartments, hotels, retail shops and 2,000 car parks. With its 700 shops and restaurants, Harbour City is home of Hong Kong's largest shopping, dining and entertainment centre.

Times Square

A landmark property in Causeway Bay, Hong Kong's busiest shopping district, Times Square comprises one million square feet of Grade A office space, a highly popular retail podium of similar size and over 700 carpark spaces. It has been named one of Hong Kong's top ten tourist attractions by the Hong Kong Tourism Board.

Modern Terminals

Modern Terminals is a leading operator of value-added container terminal services in the South China region. Established in 1969, the company has operated Hong Kong's first purpose-built container terminal since September 1972. Wharf owns 55.3 per cent of Modern Terminals Limited.

i-CABLE

i-CABLE is Hong Kong's leading integrated communications company that owns and operates one of the territory's two near universal telecommunications networks. It provides Pay TV and broadband Internet access service; and creates its own multimedia contents.

Wharf T&T

Wharf T&T, licensed in 1995, is the fastest growing fixed telecommunications network operator in Hong Kong. The company was the first to break the industry monopoly and liberalize Hong Kong's fixed-network telecommunications market, bringing vastly improved service, lower prices and more choices to local business and residential customers.
