During the financial year ended 31 December 2007, all the code provisions set out in the Code on Corporate Governance Practices in Appendix 14 (the "Code") of the Rules Governing the Listing of Securities (the "Listing Rules") on The Stock Exchange of Hong Kong Limited (the "Stock Exchange") were met by the Company, with the exception of one deviation as set out under section (D) below. The application of the relevant principles, and the reasons for the abovementioned deviation from a Code provision, are stated in the following sections.

(B) DIRECTORS' SECURITIES TRANSACTIONS

Having made specific enquiry of all Directors of the Company who were in office during the financial year ended 31 December 2007, they have confirmed that they have complied with the Model Code during the financial year.

(C) BOARD OF DIRECTORS

(i) Composition of the Board, number of Board meetings and Directors' attendance

The Company's Board has a balance of skills and experience and a balance composition of executive and non-executive directors. Four Board meetings were held during the financial year ended 31 December 2007. The composition of the Board and attendance of the Directors are set out below:

Mr James E Thompson, GBS	3

Each Director of the Company has been appointed on the strength of his/her calibre, experience and stature, and his/her potential to contribute to the proper guidance of the Group and its businesses. Apart from formal meetings, matters requiring board approval were arranged by means of circulation of written resolutions.

(ii) Operation of the Board

The Company is headed by an effective Board which takes decisions objectively in the interests of the Company. The Company's management has closely monitored changes to regulations that affect its corporate affairs and businesses, and changes to accounting standards, and adopted appropriate reporting format in its interim report, annual report and other related documents to present a balanced, clear and comprehensible assessment of the Group's performance, position and prospects. Where these changes are pertinent to the Company or Directors' disclosure obligations, the Directors are either briefed during Board meetings or issued with regular updates and materials to keep them abreast of their responsibilities and of the conduct, business activities and development of the Group. Newly appointed Directors receive briefings and orientation on their legal and other responsibilities as a Director and the role of the Board. The Company has also provided appropriate information in a timely manner to the Directors to enable them to make an informed decision and to discharge their duties and responsibilities as Directors of the Company.

There is a clear division of responsibilities between the Board and the management. Decisions on important matters are specifically reserved to the Board while decisions on the Group's general operations are delegated to the management. Important matters include those affecting the Group's strategic policies, major investment and funding decisions and major commitments relating to the Group's operations.

(D) CHAIRMAN AND CHIEF EXECUTIVE OFFICER

Mr Peter K C Woo serves as the Chairman and also as the *de facto* chief executive officer of the Company. This is a deviation from the Code provision with respect to the roles of chairman and chief executive officer to be performed by different individuals. Such deviation is deemed appropriate as it is considered to be more efficient to have one single person to be the Chairman of the Company as well as to discharge the executive functions of a chief executive officer. The Board of Directors believes that the balance of power and authority is adequately ensured by the operations of the Board which comprises experienced and high calibre individuals, a substantial proportion thereof being independent Non-executive Directors.

Furthermore, the Chairman is supported by Senior Deputy Chairman, Mr Gonzaga W J Li and Deputy Chairman & Managing Director, Mr Stephen T H Ng. The Chairman is responsible for the Board, focuses on Group strategies and Board issues, ensures a cohesive working relationship between members of the Board and management, and directly has responsibilities in certain major business units of the Group. The Senior Deputy Chairman and the Deputy Chairman & Managing Director have full executive responsibilities in the business directions and operational efficiency of the business units under their respective responsibilities and are accountable to the Chairman.

(E) NON-EXECUTIVE DIRECTORS

All those existing Directors of the Company who do not hold any executive office of the Company have their respective terms of appointment coming to an end normally three years after their appointment to the Board or (in the case of Directors who were re-elected to the Board at previous Annual General Meetings) their last re-election as Directors.

The Board is responsible for the formulation of the nomination policies, making recommendations to Shareholders on Directors standing for re-election, providing sufficient biographical details of Directors to enable Shareholders to make an informed decision on the re-election, and where necessary, nominate Directors to fill casual vacancies. The Chairman in conjunction with the two Deputy Chairmen from time to time reviews the composition of the Board with particular regard to ensuring that there is an appropriate number of Directors on the Board independent of management. They also identify and nominate qualified individuals for appointment as new Directors of the Company. New Directors of the Company will be appointed by the Board.
